MANAGEMENT DISCUSSION & ANALYSIS REPORT

ECONOMIC OVERVIEW

As per the Economic Survey 2017-18, the Indian economy has been projected to grow between 7-7.5 per cent during financial year 2018-19, which will mark an improvement from 6.7 per cent in 2017-18. However, the moot point is that economic growth in 2017-18 saw disruptions due to demonetization and implementation of the GST. It was also noted that higher global oil prices and the potential negative impact of the banking sector frauds on credit and overall growth are some of the factors that pose downside risk to its baseline GDP estimate. In many ways, 2017-18 was a defining year for the Indian economy and India completely reset its indirect tax system to a comprehensive GST.

INDUSTRY STRUCTURE AND DEVELOPMENT

The domestic textile industry in India is estimated to reach US\$ 250 billion by 2019 from US\$ 150 billion in July 2017, while cotton production in India is estimated to reach 37.7 million bales in FY18. Increased penetration of organised retail, favourable demographics, and rising income levels are likely to drive demand for textiles. Rising government focus and favourable policies is leading to growth in the textiles industry. The Ministry of Textiles is encouraging investments through increasing focus on schemes such as Technology Up-gradation Fund Scheme (TUFS). The Indian textiles industry, currently estimated at around US\$ 150 billion, is expected to reach US\$ 230 billion by 2020. The Indian Textile Industry contributes approximately 2 per cent to India's Gross Domestic Product (GDP), 10 per cent of manufacturing production and 14 per cent to overall Index of Industrial Production (IIP).

OPPORTUNITIES AND THREATS

The future for the Indian textile industry looks promising along with growing consumption of textile products, buoyed by both strong domestic consumption as well as export demand. India's textile sector is aided by several key advantages, in terms of availability of adequate raw material, entrepreneurial skills, large domestic market, presence of supporting industries and supporting policy initiatives from the government.

With increasing capacities of man-made fibres as compared to cotton, the preferred shift of the consumer to use products of man-made fibres is expected. Further, any slowdown or any unexpected government policy may lead to a substantial decline in the consumer spending which in turn may impact the profitability of all the companies present in this sector.

INDUSTRY OUTLOOK

Indian textile trade associations are hopeful of the industry's growth in FY 2018-19 as the Economic Survey 2018, conducted by Ministry of Finance, has predicted 7-7.5 per cent growth in FY 2018-19 from 6.75% last fiscal. The Economic Survey 2018, tabled in the Indian Parliament on January 29, 2018, also highlighted that exports will be the major cause of 'upside potential' for the country's economy. Additionally, the country will make a splendid comeback from the struggle of demonetisation and Goods and Services Tax (GST).

RISKS AND CONCERNS

The textile industry is also presently facing challenges like increase in labour cost, increasing power tariff & fuel charges, increase in transportation and inventory carrying charges, which are further likely to impact its margins. Cotton prices which have almost stabilized now may tend to increase due to various extraneous factors and lead to uncertainty. The challenge for the Company is to effectively and responsibly manage and control the risks on a sustained basis to enhance returns. All the current and fixed assets of the company also suffer from the risk of natural calamity. The implementation of GST and benefit to industry in general specific to company is yet to be seen.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The company's internal control/supervisory system is established to ensure that the board and management are able to achieve their business objectives in a prudent manner, safeguarding the interest of company's shareholders and other stakeholders whilst minimizing the key risk such as fraud, misleading financial statements, breach of legal and contractual obligations, unauthorized business activities.

DISCLOSURE OF ACCOUNTING TREATMENT

The Company has complied all requirements of applicable Accounting Standard. During the year Company has changed its accounting policy. The Financial Statements of the Company for the previous years (including the ones with respect to year ended March 31, 2017) were prepared in accordance with the applicable Accounting Standards, notified under Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions (hereinafter referred to as 'Previous GAAP').

The Company has adopted Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified by the Ministry of Corporate Affairs ("MCA") w. e. f. April 1, 2017 - with a transition date of April 1, 2016, in view of the provisions of Section 133 of the Companies Act, 2013 (the "Act", which term shall include the Rules made thereunder) read with the Companies (Indian Accounting Standards) Rules, 2015. Accordingly, the Financial Statements for the year under review have been prepared in accordance with the Ind AS.

Also, as per the provisions of Ind AS 101 with respect to "First-time Adoption of Indian Accounting Standards", all Ind AS and interpretations - that are applicable for the financial statements of the Company for the year under review, are applied retrospectively and consistently for all the financial years presented and accordingly, the comparative period figures has been restated to that extent and the impact of transition from Previous GAAP to Ind AS has been accounted for in opening reserves.

INDEPENDENT AUDITORS' REPORT

To,
The members of,
MID INDIA INDUSTRIES LIMITED
CIN: L17124MP1991PLC006324

Report on the Standalone Financial Statements

We have audited the accompanying financial statements of **MID INDIA INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We have conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its LOSS, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Emphasis of Matters:

1. The current year losses of the company have wiped off the net worth of the company. However in the opinion of management the going concern of the company is still intact and has not got defeated, as the company is usually carrying on manufacturing and trading activities. However the management is looking to cut the operational cost and other suitable measures to stabilise the financial position of the company.
2. The company has not properly complied with "IND AS 19 - Employee Benefits" to the extent that the liability in respect of gratuity payable to employees is not actuarially determined by using project unit credit method.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements generally comply with the Indian Accounting Standards specified under Section 133 of the Act, except reported elsewhere.
 - (e) On the basis of the written representations received from the directors of the Company as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 1.2 (J) (iii) to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There was no requirement to transfer amount to the Investor Education and Protection Fund by the Company.

Mid India Industries Limited

“Annexure B” to the Independent Auditor's Report

Referred to in paragraph 2(f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of MID INDIA INDUSTRIES LIMITED for the year ended on 31st March 2018

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **MID INDIA INDUSTRIES LIMITED** (“the Company”) as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing, to the extent applicable to an audit of internal financial controls and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”), both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(Note 1) NOTES TO THE FINANCIAL STATEMENTS**1.1. CORPORATE INFORMATION**

a) Mid India Industries Limited ('the Company') is a public limited company domiciled in India and is engaged in Trading, manufacturing of cotton & polyester yarn. The registered office of the Company is situated at Mandsaur (M.P.), and the manufacturing plant of the company is also situated in Mandsaur (M.P).

b) Basis of Preparation of Financial Statements

The standalone financial statements have been prepared on a historical cost basis.

"The financial statements of the Company have been prepared to comply with the Indian Accounting Standards ('Ind AS') as prescribed under section 133 of the act read with the rules notified under the relevant provisions of the Companies Act, 2013, except IND AS 19 Employee Benefits.

Upto the year ended March 31, 2017, the Company has prepared its financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP), which include Standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as "Previous GAAP".

These financial statements are the Company's first Ind AS standalone financial statements and policies adopted in preparation are consistent with those of previous year.

Company's financial statements are presented in Indian Rupees (INR), which is also its functional currency."

1.2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**a) Going Concern:**

The current year losses of the company have wiped off the net worth of the company. However in the opinion of management the going concern of the company is still intact and has not got defeated, as the company is usually carrying on manufacturing and trading activities. However the management is looking to cut the operational cost and other suitable measures to stabilise the financial position of the company.

b) Property Plant and Equipment:

i) Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

ii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criteria are met. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition principles.

iii) Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work - in - Progress.

iv) "Depreciation on property, plant and equipment is provided using straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Each part of an item of Property, Plant & Equipment with a cost that is significant in relation to total cost of the Machine is depreciated separately, if its useful life is different than the life of the Machine."

v) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

vi) Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

vii) Spare parts procured along with the Plant & Machinery or subsequently which meet the recognition criteria are capitalized and added in the carrying amount of such item. The carrying amount of those spare parts that are replaced is derecognized when no future economic benefits are expected from their use or upon disposal. Other machinery spares are treated as "stores & spares" forming part of the inventory.

c) Capital Work in Progress:

i) Expenditure incurred on assets under construction (including a project) is carried at cost under Capital Work in Progress. Such costs comprises purchase price of asset including import duties and non-refundable taxes after deducting trade discounts and rebates and costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

ii) Cost directly attributable to projects under construction include costs of employee benefits, expenditure in relation to survey and investigation activities of the projects, cost of site preparation, initial delivery and handling charges, installation and assembly costs, professional fees, expenditure on maintenance and up-gradation etc. of common public facilities, depreciation on assets used in construction of project, interest during construction and other costs if attributable to construction of projects. Such costs are accumulated under "Capital works in progress" and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects.

iii) Capital Expenditure incurred for creation of facilities, over which the Company does not have control but the creation of which is essential principally for construction of the project is capitalized and carried under "Capital work in progress" and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects, keeping in view the

“attributability” and the “Unit of Measure” concepts in Ind AS 16- “Property, Plant & Equipment”. Expenditure of such nature incurred after completion of the project, is charged to Statement of Profit and Loss.

d) Intangible assets:

i) Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization /depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

ii) Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

iii) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised

iv) The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence ,demand ,competition ,and other economic factors (such as the stability of the industry ,and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

e) Impairment of non-financial assets - property, plant and equipment and intangible assets

i) The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

ii) An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset’s carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset’s fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

f) Inventories

i) "Inventories are valued at cost or net realizable value whichever is lower."

ii) The cost of inventories comprise all costs of purchase including duties and taxes (other than those subsequently recoverable from the taxing authorities), conversion cost and other costs incurred in bringing the inventories to their present location and condition.

iii) The First in first out cost method has been used for the purpose of ascertaining cost of raw material, stores & spares.

g) Operating Cycle

"The Company presents assets and liabilities in the balance sheet based on current / non-current classification based on its operating cycle. The company has identified twelve months as its operating cycle."

I) An asset is treated as current when it is:

i) Expected to be realized or intended to be sold or consumed in normal operating cycle;

ii) Held primarily for the purpose of trading;

iii) Expected to be realized within twelve months after the reporting period, or

iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

II) An liability is treated as current when it is:

i) It is expected to be settled in normal operating cycle;

ii) It is held primarily for the purpose of trading;

iii) It is due to be settled within twelve months after the reporting period, or

iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

"All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities."

h) Government Grant

Grants and subsidies from the government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with. When the grant or subsidy relates to an expense item, it is netted off with the relevant expense. Where the grant or subsidy relates to an asset, its value is deducted in arriving at the carrying amount of the related asset.

i) Borrowing Cost:

i) Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a

substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

ii) Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

iii) All other borrowing costs are expensed in the period in which they occur.

j) Provisions, Contingent Liabilities and Contingent Assets and Commitments

i) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the balance sheet date. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.

ii) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

iii) Contingent liabilities are disclosed on the basis of judgment of management. These are reviewed at each balance sheet date are adjusted to reflect the current management estimate. However Company have outstanding demand of Rs.867215 towards Income tax for A.Y. 2009-10. Additionally we have been reported that one case for claim of Rs. 95340/- was admitted to labour court against the company by ex-security guard towards claim of minimum wages. However the case was decided in favour of the company by the labour court but the claimant has lodged the appeal in high court.

iv) Contingent assets are not recognized but are disclosed in the financial statements when inflow of economic benefits is probable.

k) Financial Instruments

Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

Financial assets carried at amortised cost

"A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Company does not have any such financial assets during the financial year."

Financial assets at fair value through other comprehensive income (FVTOCI)

"A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Company does not have any such financial assets during the financial year."

Financial assets at fair value through profit or loss (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL.

Impairment of financial assets

"The company assesses, at each reporting date, whether a financial assets or a group of financial assets is impaired.

Ind AS-109 on Financial Instruments, requires expected credit losses to be measured through a loss allowance. For trade receivables only, the company recognises expected lifetime losses using the simplified approach permitted by Ind AS-109, from the initial recognition of the receivables."

Financial Liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the Normal interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments

"The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Company does not have any such financial asset/ financial liability during the financial year."

l) Revenue Recognition

Revenue from Operations

"Revenue from sale of products is recognized on transfer of all significant risk and rewards of ownership of products to the customers, which is

generally on dispatch of goods. Sales are stated exclusive of Value Added Tax and Goods & Service Tax."

Interest Income

Interest income from a financial asset is recognised using Normal rate of return method.

Other Income

All other income in Financial statement recorded on actual basis.

m) Employee Benefit Expenses

i) Short Term Employee Benefits:

Short Term Employee Benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.

(ii) Post Employment Benefits:

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefits Plans

"The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972."

The company has not properly complied with "IND AS 19 – Employee Benefits" to the extent that the liability in respect of gratuity payable to employees is not actuarially determined by using project unit credit method.

n) Foreign Currency Transactions

i) Transactions in foreign currencies are initially recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

ii) Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss.

o) Income Taxes

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the other comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

However Deferred Tax is not recognized in the preparation of Financial Statements due to uncertainty of Profit in future to set off carry forward unabsorbed losses and depreciation.

iii) Minimum Alternate Tax (MAT)

Since company incurred consistence losses in previous years and MAT is calculated on book profit, therefore MAT is not calculated in financial statement.

p) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a right issue to existing shareholders.

There is no dilution of potential equity shares.

q) Dividend Distribution

Since company incurred losses during the financial year, therefore no dividend distributed.

r) Statement of Cash Flows

i) Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

ii) Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in the Indian Accounting Standard-7 "Statement of Cash Flows".

t) Related Party Disclosure

Related Party disclosures as required under Indian Accounting Standard (INDAS) - 24 on "Related Party Disclosures" issued by the Institute of Chartered Accountants of India are given below:

Transactions	Associates	"Key Managerial personal/Relatives"	Grand Total
Purchase of Raw Cotton (Trading)			
1. Continental Ginnery Ltd.	461.98	-	461.98
Total	461.98	-	461.98

(u) Previous year's figures have been regrouped, rearranged wherever considered necessary to correspond with the current year's classifications/disclosure.

1.3 CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the

amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of trade receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

1.4. First Time adoption of Ind AS

The Company has adopted Ind AS with effect from 1st April 2017 with comparatives being restated. Accordingly the impact of transition has been provided in the Retained Earnings as at 1st April 2016. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

a) Exemptions from retrospective application

i) Fair value as deemed cost exemption

The Company has elected to measure items of property, plant and equipment and intangible assets at its carrying value.

b) Ind AS optional exemptions

Deemed Cost

"Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment's covered by Ind AS 16 Property, plant and equipment's as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets and Investment property covered by Ind AS 40 Investment property.

The Company has elected to measure all of its property, plant and equipment and investment property on the transition date at their previous GAAP carrying value."

c) Ind AS Mandatory exemptions

Estimates

"As entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at April 1, 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP."

De-recognition of financial assets and liabilities

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initial accounting for those transactions.
